

WARRANTY CHECKLIST

SYSTEM WARRANTY

To ensure timely processing of System Warranties, the appropriate warranty related forms must be completed and mailed (do not fax) to Inland Coatings at the address below. They are as follows:

- Inland Project Profile
- Inland System Warranty Form - Original, signed copy must be mailed along with all other documents (do not fax).
- Warranty Certification Statement
- Roof System Warranty Fees form with payment included
- Payment for any outstanding inspection charges
- Copy of all Inland Product Invoices
- Attachment 'A' (if necessary)

Note: For all residential and/or projects under 100 squares, the Attachment 'A' form must be submitted to Inland for approval prior to any product applications.

PRODUCT WARRANTY

To ensure timely processing of Product Warranties, the appropriate warranty related forms must be completed and mailed (do not fax) to Inland Coatings at the address below. They are as follows:

- Inland Project Profile
- Inland Product Warranty Form - Original, signed copy must be mailed along with all other documents (do not fax).
- Copy of all Inland Product Invoices
- Attachment 'A' (if necessary)

Note: For all residential and/or projects under 100 squares, the Attachment 'A' form must be submitted to Inland for approval prior to any product applications.
